

RAINBOW SERVICE AWARDS 2008 - 2010

Rainbow is a Service Organization! Everyday there is someone who needs assistance. This program is to encourage our Rainbow Members to participate in Church and Community activities without expectations of any Monetary, Political or Personal reward.

Volunteers are needed. With Community involvement we can share the advantages of the International Order of the Rainbow for Girls and encourage support from Prospective Members, Parents, Masonic Organizations and those who are not familiar with our Organization.

Membership is important! Please participate in the activities with our Marketing Firm, JohnsonRauhoff. What will your Jurisdiction show for a percentage of Membership increase by 2010? Let's get busy! We have much to do to tell the story of Rainbow and how it can make such a difference in a girl's life!
