

Congratulations on being selected to serve as  
a Prairie Girl for  
Supreme Assembly 2008!

- ④ The Prairie Girls at Supreme must be excellent representatives of Illinois. You will be stationed in different areas around the hotel at Supreme to assist in answering questions & directing traffic & other tasks that may arise. We will have more specific information for you at Supreme.
- ④ Hopefully we will get a chance to have a brief meeting there as well. As everyone's schedules are pretty crazy, that may be difficult. SO, please fill out the form below as accurately as possible. This will make everything easier for everyone involved.
- ④ We are going to try to have two girls working each shift. We will do our best to accommodate any requests of girls you would like to be paired with. If your request is not met this should not affect the way you represent Illinois and fulfill your agreement to this position.
- ④ Once you get your schedule information, please do not try to switch things around without consulting me. Please do not ask me to switch things around unless it conflicts with a practice or tour that you have already signed up for. If you switch something and I am not aware of it, it will cause a snowball of different problems. Hopefully we can all be flexible & there will not be any problems.
- ④ You will need to wear a white formal during your scheduled time. Additionally you will be receiving a "uniform" to wear over the formal, which I will give to you at Supreme

Do not hesitate to contact me with any questions that you may have.  
And PLEASE remember (as mentioned above) you will be and always  
are representing Illinois Rainbow!
